This extension of the session will enable the Professors to give a more extensive and thorough course of instruction, which will be carried on principally by daily examination in designated portions of the text books, with such explanations and illustrations as may be deemed necessary, and also by Moot Courts, for pleading and the discussion of legal questions, and by requiring from the students written exercises in drawing up bonds, deeds and other legal instruments, arguments and opinions. The attention of the students will also be specially directed to the history of Jurisprudence, and to Civil His-tory as connected with the progress of the Law, and to the Federal Courts. The books will be principally such as have been heretofore used, to be furnished by the students,

The extension of the session and of the course of instructickets, the particulars of which will be hereafter announced. HARDWARE AND CUTLERY, FALL STOCK FOR 1852. THE undersigned are now in receipt of their entire Fall Trade, and in ealling the attention of the merchants of Tennessee, Kentucky, and North Alabama, to their stock now in store, they feel confident that it will be found to compare favorably, both as to quantity and assortment, with that of any other House in the country.

Experience has already demonstrated to the satisfaction of a large majority of dealers in this section of the country, that in the article of Hardware at least, the Nashville market is preferable to those of New York and Philadelphia; for ket is preferable to those of New York and Philadelphia; for the simple reason that this description of goods will not bear the heavy expenses of transportation which must nec-essarily accrue when brought through by canals and rail-roads. The undersigned are also enabled to place their cus-tomers on an equal footing with those purchasing in any oth-er market, from the fact that their European goods being all imported direct from the manufacturers by way of New Or-leans without touching New York, thus enabling them to of-for their goods at a small advance on importation cost.

MISCELLANEOUS.

THE inventor of this preparation was for three years s completely prostrated from Dyspensia and inactivity of the Liver that he was frequently for weeks at a time unable to raise himself from his bed. He sought aid from physicians at home and in Europe, but in vain, his case was prenounced hopeless by thousands, and it was by accident that he succeeded in curing himself. Since he has been practicing modicine, his success in such and have been practicing modicine, his success in such and have practicely in the success. ceeded in curing minself. Since he has been practicing mod-icine, his success in such cases has been unrivalled. He has been aware of the incredulity of the public, and conse-quently said nothing through the press of his own case, until, the character of the medicine was fully established by its success, as shown by the certificates which have been

I subjoin the certificate of Prof. M. Garners, of Memphis, Tena, with whom I often advised during the time of my suffering.

MEMPHIS, Tenn., April 17, 1852.

I hereby certify that I have been acquainted with Dr. I N. Bledsoe and some years ago he was reduced I believe lower than I have ever seen any one that afterwards recovered, with what I supposed to be Dyspepsia and Liver affection, and after trying the prescriptions of many Physicians in this as well as other countries, without relief, he finally succeeded with a preparation of his ewn in being restored to good health. M. GARBERT, M. D.

Physicians are requested to try this preparation. We feel satisfied it will sustain the character we give to it in this

HENTSVILLE, January 12, 1852. Dr. Blarson: -I take the liberty and fell it to be my duty to recommend to all persons suffering from disease of the stomach and bowels, your Alterative Compound, as a very seperior medicine. My sen, aged 15 years, had been under medical treatment about five years for dyspepsia and diarrhea - when having almost despaired of his recovery, I concluded to try your Alterative, two bottles of which, I believe, entirely cured him. MICAJAH CAYCE.

HUNTSVILLE, Oct. 17, 1859. Dr. Bernson:—Some time has elapsed since I gave a certificate that my wife had been greatly benefited by your Alterative Compound. I now take pleasure in saving to the public, that my wife had for three or four years been subject to the worst kind of spells of cramp in the stomach from dyspepsia. I had tried of several whom I thought to be the best physicians in the place and a great many different medicines, with momentary relief. Being persuaded to try your alterative compound, I did so—and I am happy to say that it has entirely cured her; and I would conscientiously recommend it to all persons suffering from diseases of the liver and dyspepsia.

N. B. ROBERTSON.

HUNTSVILLE, Sept. 29, 1851. Dr. Bledson-Having seen the publication of your Alterative Compound, I think it my duty to say to the public, that I had been for years subject to spells of Cramp Colic, in its worst form; that I had tried almost every thing that is giworst form; that I had tried almost every thing that is given by physicians, and never found any thing that would certainly relieve me, until I tried the above medicine, which has relieved me in every attack in less than an hour. WM. B. LLOYD.

GLES COUNTY, Tenn., Dec. 28, 1831.

Dr. Blenson:—I feel that I should full short of my duty to you and to those who are afflicted, were I not to further recommend your Alterative Compound. It has entirely relieved me, so that I have not had cause to take anything in two months. I can eat anything I want with impunity, and believe my health is as good as it ever is at my advanced age. Should I ever suffer from dyspepsia again I shall be sure to call on you. I am very respectfully your friend.

ELIZABETH J. HARWOOD.

HENTSVILLE, Ala., August 24, 1851. This is to certify, that I had suffered for many years with Dyspepsia and Diseases of the Liver. Physician after Physician had prescribed for me without my receiving any benefit, when I commenced the use of Dr. Bledsoe's Alterative Compound, which cured me soundly, and I recommend it because of the same happy effect upon others of my acquaint JOSEPH CAROTHERS. HENTSVILLE, Ala., March 3, 1852. Dr. Blerson:-Sin: Judging from the certificates you

have already advertised, it will be almost unnecessary for me to add further evidence in regard to the healing virtues of your Compound; but I aimst say, that for years I suffered a great deal from Dyspepsia and enlargement of the spleen, and thought that I never would recover. I examenced tak ing your compound about nine weeks since, and have gained 25 or 30 pounds, and feel about as well as I ever did. HENRY J. GOFF.
